Ultrasound Packages

PACKAGE ONE

ESSENTIAL SCANS

Package includes:

- Nuchal translucency
12 week ultrasound
- Fetal morphology scan
17-22 weeks
- Growth scan
23-42 weeks
- DVD
- USB

Total package price **\$800.00**

This ultrasound package, which covers all the pregnancy 'essentials' could make the perfect baby shower gift! Or simply treat your loved one to celebrate their pregnancy.

Please note, Medicare rebates will be available if referrals are provided for these three diagnostic scans.

These prices are valid till 31.12.2016 and apply to singleton pregnancies only.

PACKAGE TWO

FETAL MORPHOLOGY SCAN OR ANOMALY SCAN

This is a standard ultrasound procedure to confirm the health of the baby and is suitable between 17 and 22 weeks.

This scan will identify:

- Number of fetuses – single or twin pregnancy
- Fetus measurements to confirm age and normal growth
- Detailed structural review of the fetus to exclude fetal abnormalities
- Placental position and cervical length
- Gender (if desired by the parents)

Total package price **\$290.00**

The purpose of this scan is to ensure the healthy development of the baby, which will involve assessing many specific areas such as the fetal heart, spine, head, stomach, kidneys, face and facial structure.

Please note, a referral from either the obstetrician or GP will be required to receive a Medicare rebate on this scan.

These prices are valid till 31.12.2016 and apply to singleton pregnancies only.

PACKAGE THREE

3D/4D ULTRASOUND PACKAGE WITH PRINTED IMAGES, DVD AND USB

This package is recommended between 24 and 28 weeks of pregnancy.

Package includes:

- A specialised growth scan including baby's measurements, welfare studies using Doppler ultrasound
- 3D / 4D scan
- DVD
- USB

Total package price **\$350.00**

This package can be purchased or gifted without a referral. Medicare rebates apply if a referral is provided.

If desired, we can also advise of the baby's gender on the day of the scan.

These prices are valid till 31.12.2016 and apply to singleton pregnancies only.
